

## COLLEZIONE PANTOGRAFATI

È la linea caratterizzata da un ottimo rapporto tra qualità e prezzo, dedicata a chi ricerca in una porta l'alternanza del design e l'eleganza dell'essenza in tutte le sue sfumature. Sono pannelli realizzati in okoumè stratificato tipo marino a fibre parallele di spessore 15 o 20 mm verniciati per esterni e disponibili nelle seguenti essenze:

Noce chiaro  
Noce medio  
Noce scuro  
Mogano tinto  
Ciliegio tinto  
Rovere tinto  
Verde antico  
Verde scuro

Realizzabili anche in MDF idrorepellente di spessore 14 o 18 mm nelle diverse laccature e colorazioni RAL e gotiche. Installazione consigliata in ambienti riparati dall'esposizione diretta agli agenti atmosferici.

## ROUTERED COLLECTION

*Is the line characterized by a good balance between quality and price. Dedicated to those who search for a door with a delicate balance of design and a veneer elegance, in all its nuances and shiftings. The panels are made of layered okoumè of a marine-type, with parallel fibres of thickness of 15 or 20 mm, painted for outdoor use and available in the following essences.*

*Walnut - light  
Walnut - normal  
Walnut - dark  
Mahogany  
Cherry  
White Oak  
Dark green  
Old green*

*These panels can also be made in hydrorepellent MDF of 14 or 18 mm of thickness, painted or varnished in the various RAL colourings as well as gothic. This panels are suitable for installation in enviroments sheltered from the direct action of atmospheric agents.*

Installazione all'esterno riparato  
*Sheltered outdoor installation*
