

 **SEEVEN**

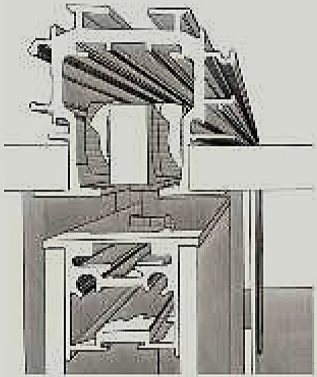

REGOLARE ARMONIA

Sistema scorrevole ad incasso.  
Quattro ante mobili con bordo alluminio  
e doppio vetro.  
Mod. LACCATO

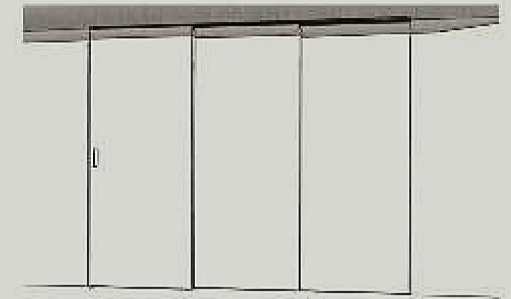

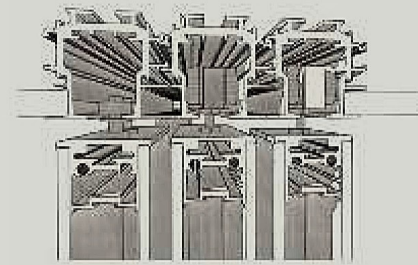

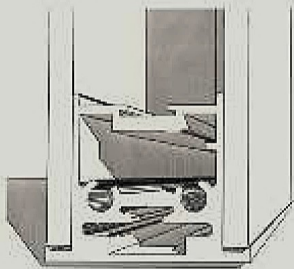

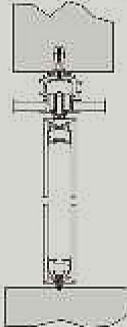

*Ceiling sliding system for plasterboard.  
Four sliding door panels with perimetrical  
aluminium profile and double glass.  
Mod. LACQUERED*

Sistema scorrevole ad incasso ad una via "SeEven"

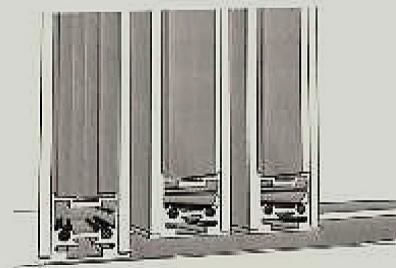

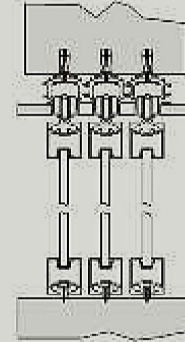

Sistema scorrevole ad incasso.  
Anta singola o doppia con profilo  
in alluminio e doppio vetro.

*Ceiling sliding system for plasterboard.  
Single or double door panels  
with perimetrical aluminum profile  
and double glass.*

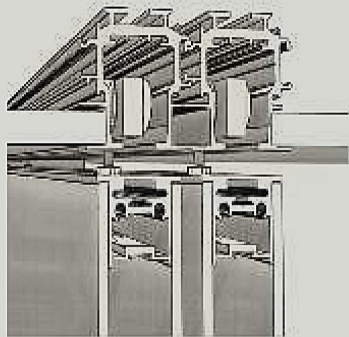

Sistema scorrevole ad incasso.  
Tre ante, due mobili e una fissa  
con profilo in alluminio e doppio vetro.

*Ceiling sliding system for plasterboard.  
Three door panels, two sliding panels  
and a fixed one with perimetrical aluminum profile  
and double glass.*

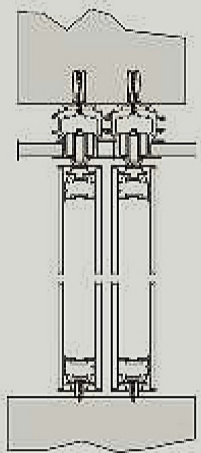

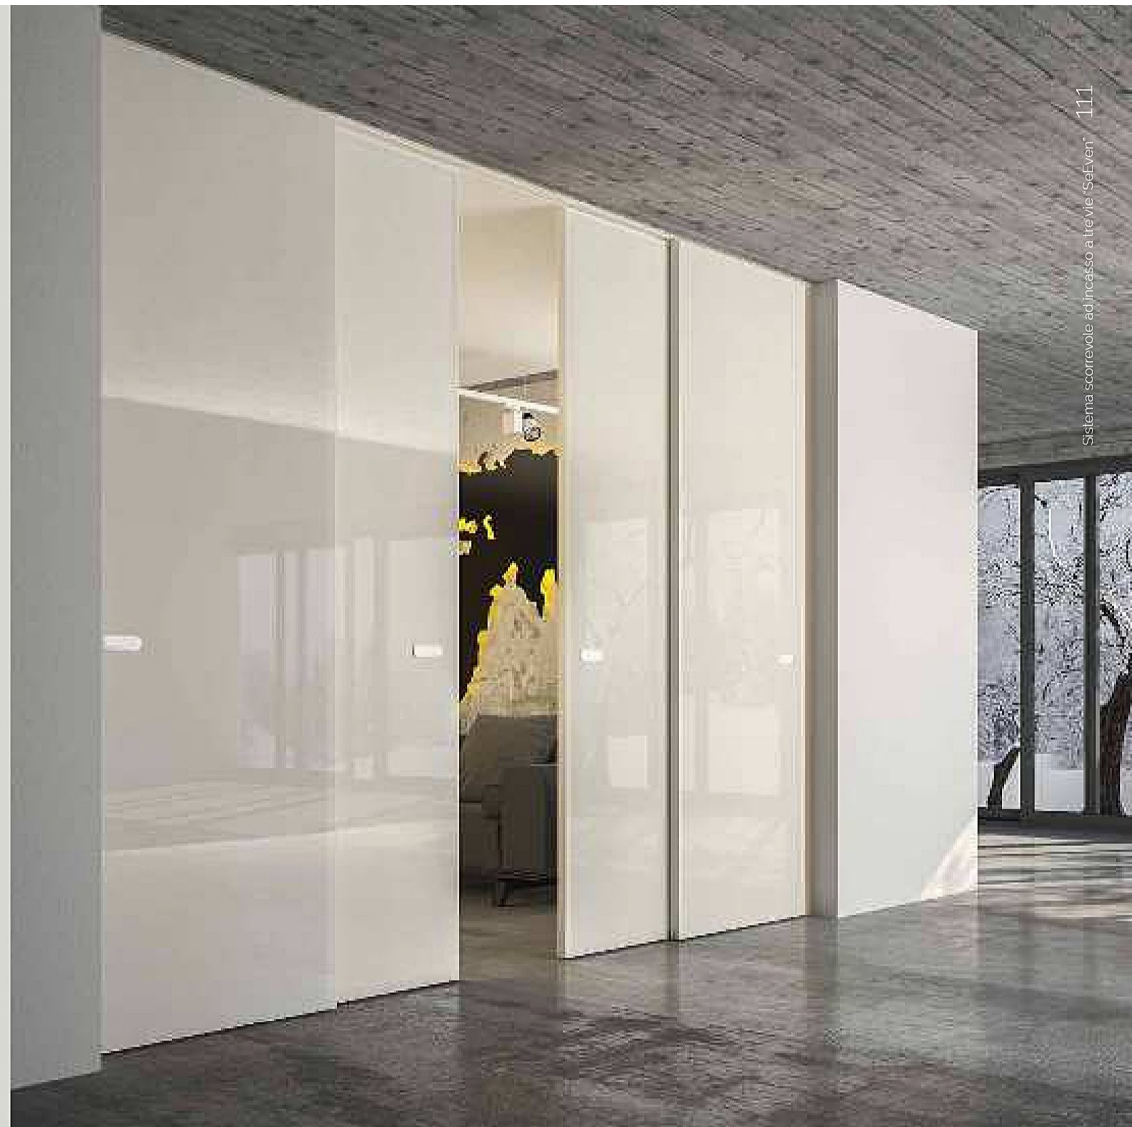

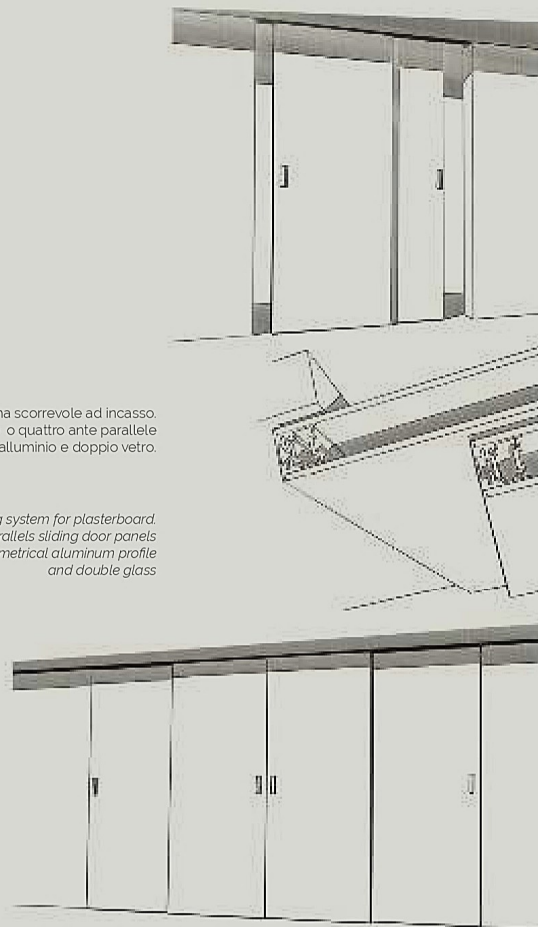

Sistema scorrevole ad incasso a due vie "SeEven"

Sistema scorrevole ad incasso.  
Due o quattro ante parallele  
con profilo in alluminio e doppio vetro.

*Ceiling sliding system for plasterboard.  
Two or four parallel sliding door panels  
with perimetral aluminum profile  
and double glass*

Sistema scorrevole con mantovana in alluminio.  
Anta doppia scorrevole esterno parete,  
con profilo in alluminio e doppio vetro.  
Mod. ACIDATO

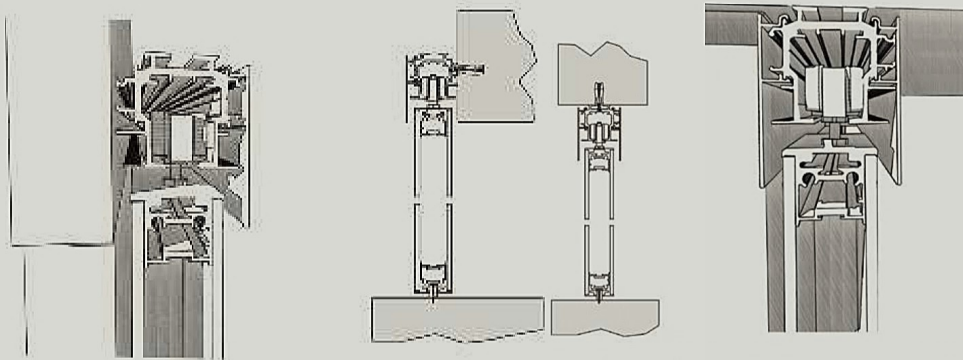

*Sliding system with aluminum cover.  
Double sliding door outside wall, with perimetrical  
aluminum profile and double glass.  
Mod. ETCHED*

Sistema scorrevole ad una via "SeEven"

Sistema scorrevole con mantovana in alluminio.  
Anta singola o doppia scorrevole esterno parete,  
con profilo in alluminio e doppio vetro fissaggio  
a parete o soffitto.

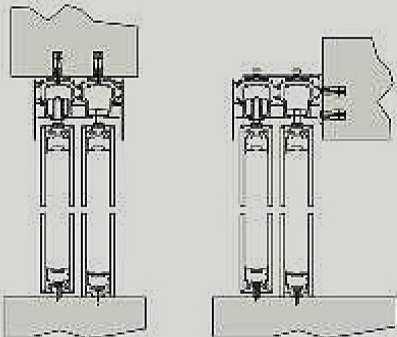

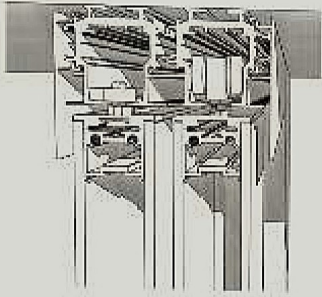

*Sliding system with aluminum cover.  
Single or double sliding door outside wall,  
with perimetrical aluminum profile and double  
glass ceiling or wall mounting.*

Sistema scorrevole ad una via "SeEven"

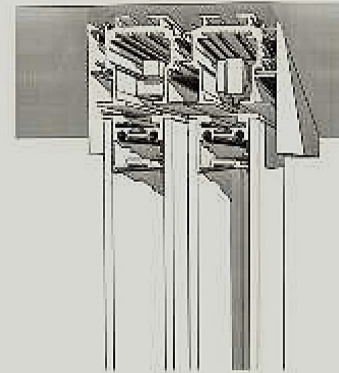

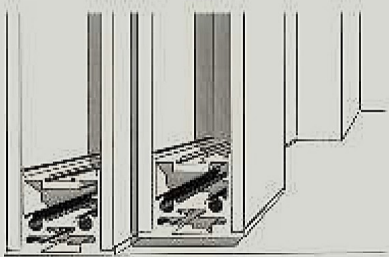

Sistema scorrevole a due vie "SeEven"

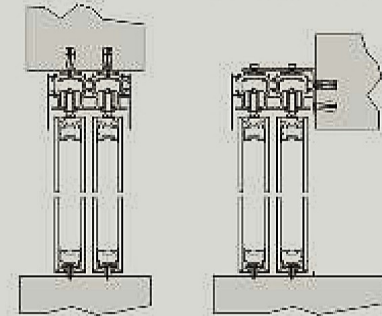

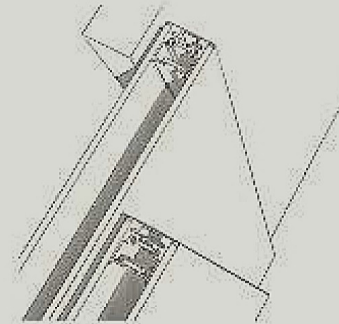

Sistema scorrevole con mantovana in alluminio. Quattro ante, due mobili e due fisse, con profilo in alluminio e doppio vetro fissaggio a parete o soffitto.

*Sliding system with aluminum cover. Four door panels, two sliding panels and two fixed panels, with perimetrical aluminum profile and double glass ceiling or wall mounting.*

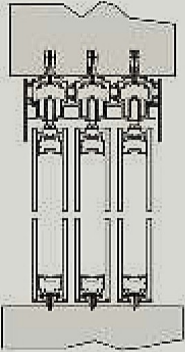

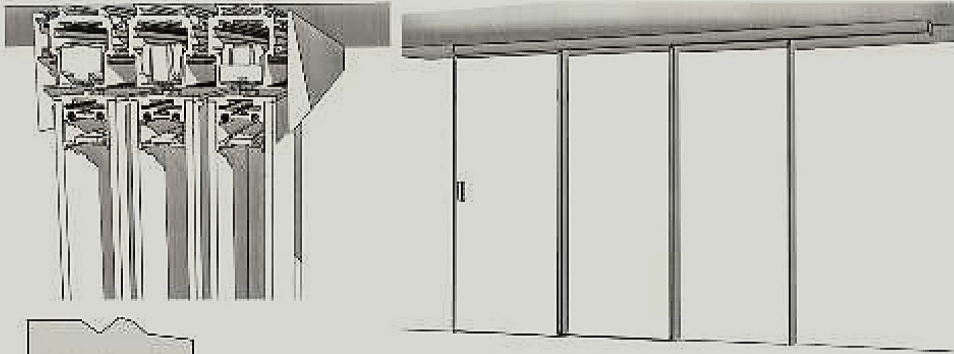

Sistema scorrevole in alluminio. Due ante parallele con profilo in alluminio fissaggio a parete o soffitto.

*Sliding system with aluminum cover. Two parallel sliding doors with perimetrical aluminum profile and double glass ceiling or wall mounting.*

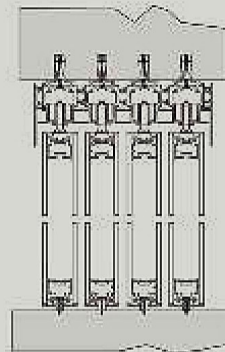

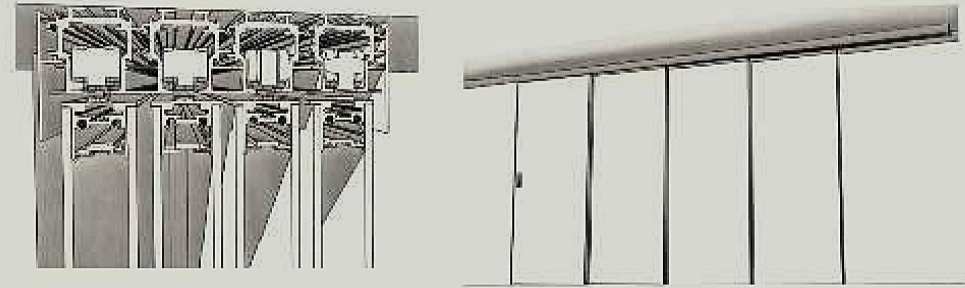

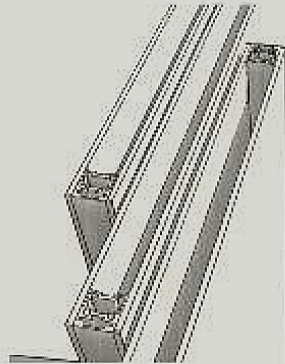

Sistema scorrevole a tre vie "SeEven"

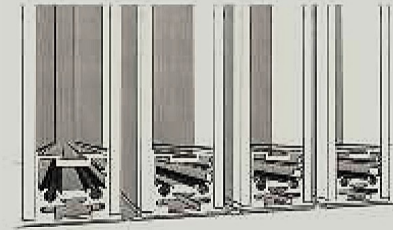

Sistema scorrevole con mantovana in alluminio, tre ante con profilo in alluminio e doppio vetro, fissaggio a soffitto

Sliding system with aluminum cover, three doors with perimetrical aluminum profile and double glass, ceiling fixing system

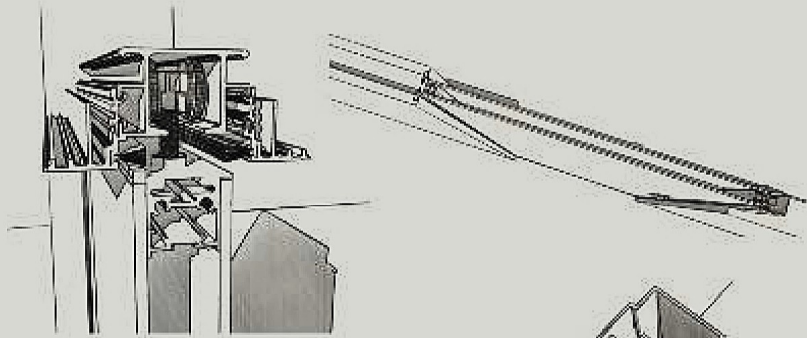

Sistema scorrevole con mantovana in alluminio quattro ante. Mobili con profilo in alluminio e doppio vetro fissaggio a soffitto.

Sliding system with aluminum cover. Four sliding door panels with perimetrical aluminum profile and double glass ceiling fixing system.

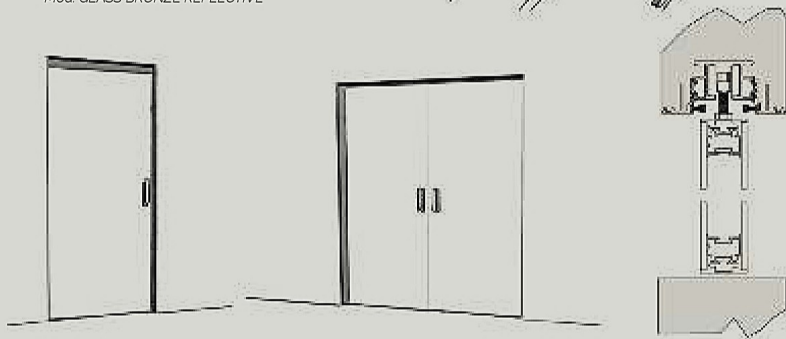

## Sistema scorrevole a scomparsa "SeEven"

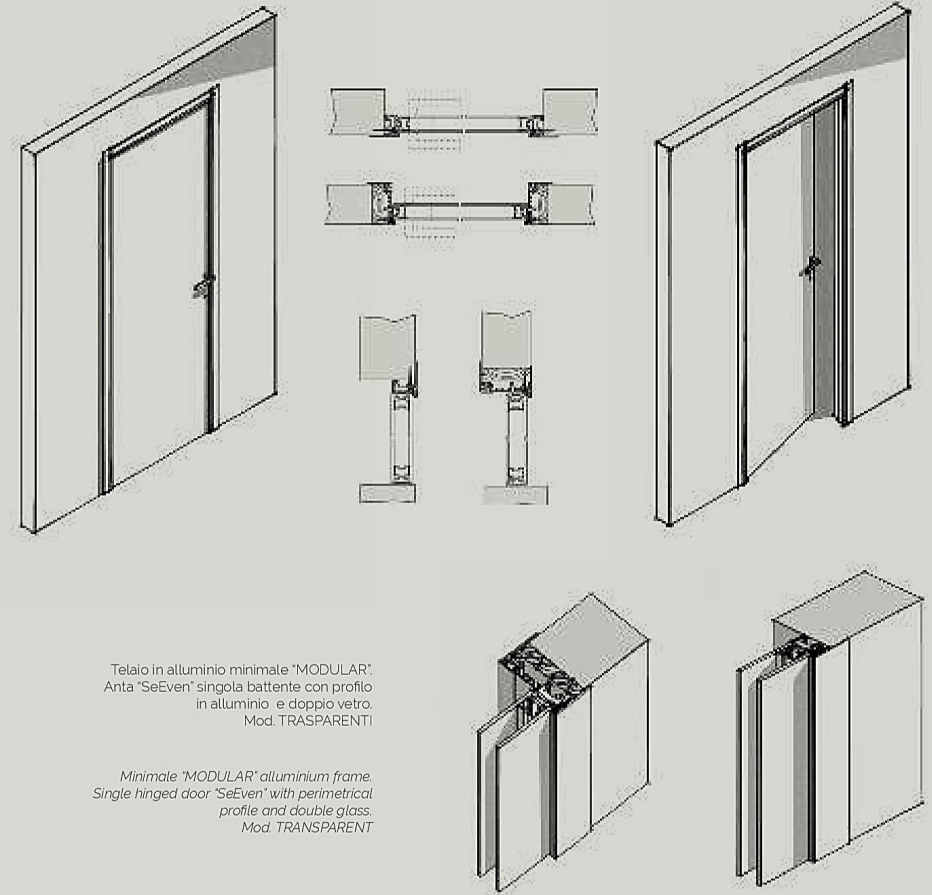

Scorrevole a scomparsa senza telaio "SeEven".  
Anta doppia con profilo in alluminio e doppio vetro.  
Mod. RIFLETTENTE BRONZO

"SeEven" sliding pocket door frameless.  
Double panel with perimetrical aluminum profile  
and double glass.  
Mod. GLASS BRONZE REFLECTIVE

Battente Minimale "SeEven"

Telaio in alluminio minimale "MODULAR".  
Anta "SeEven" singola battente con profilo  
in alluminio e doppio vetro.  
Mod. TRASPARENTI

Minimale "MODULAR" aluminium frame.  
Single hinged door "SeEven" with perimetrical  
profile and double glass.  
Mod. TRANSPARENT

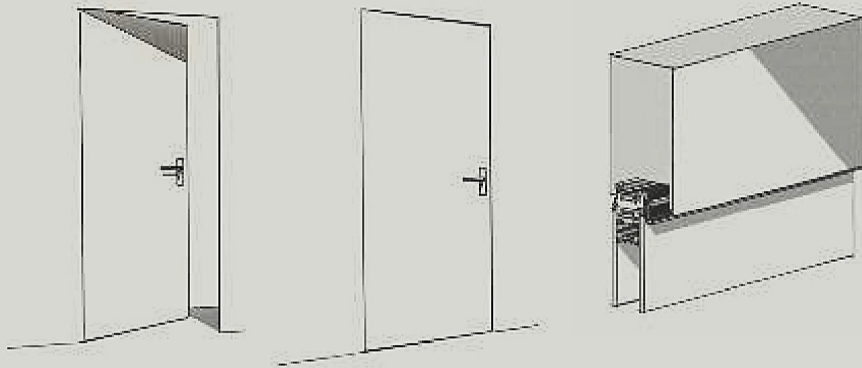

Telaio filo parete "SeEven".  
Anta singola battente con profilo  
in alluminio e doppio vetro.  
Mod. LACCATO

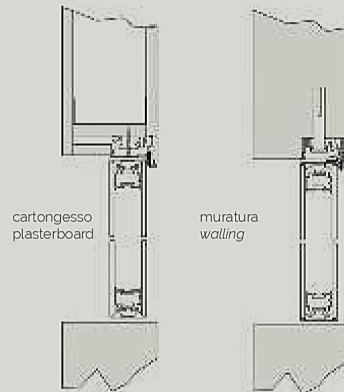

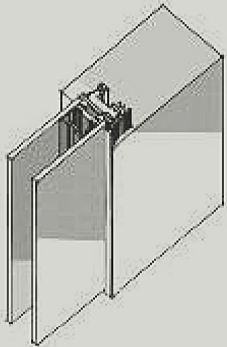

*"SeEven" Walled frame.  
Single hinged door with perimetrical  
profile and double glass.  
Mod. LACQUERED*

Telaio filo parete "SeEven"

Telaio filo parete "SeEven".  
Anta singola battente con profilo  
in alluminio e doppio vetro.

"SeEven" Walled frame.  
Single hinged door with perimetrical  
profile and double glass.

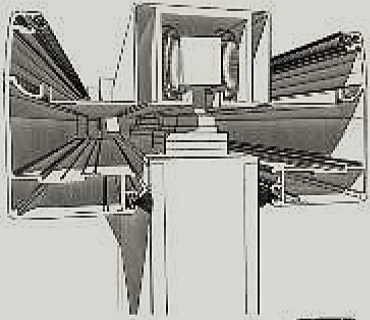

cartongesso  
plasterboard

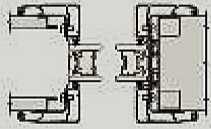

muratura  
waling

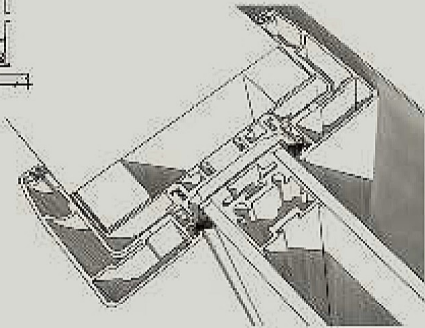

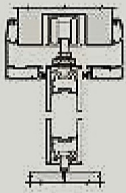

## Scorrevole a scomparsa Classic "SeEven"

Telaio in alluminio Classic "SeEven".  
Anta singola scorrevole a scomparsa,  
con profilo in alluminio e doppio vetro.  
Mod. ACIDATO

*Classic "SeEven" aluminum frame.  
Single sliding pocket door, with perimetrical  
aluminum profile and double glass.  
Mod. ETCHED*

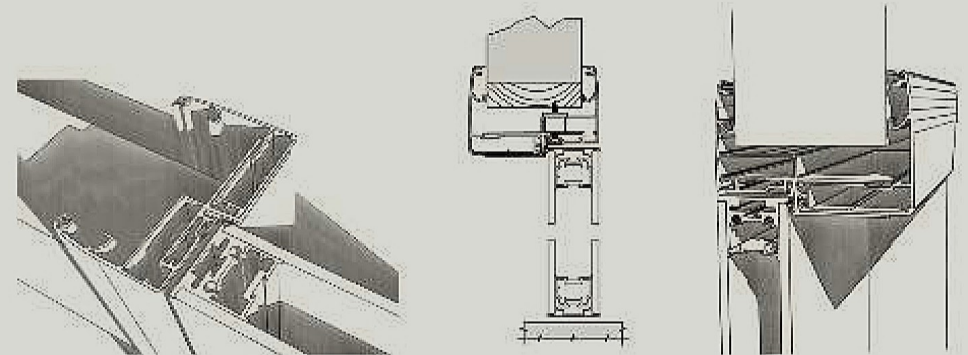

Telaio in alluminio Classic "CLASSIC"  
Anta singola "SeEven" battente,  
con profilo in alluminio e doppio vetro.  
Mod. LACCATO

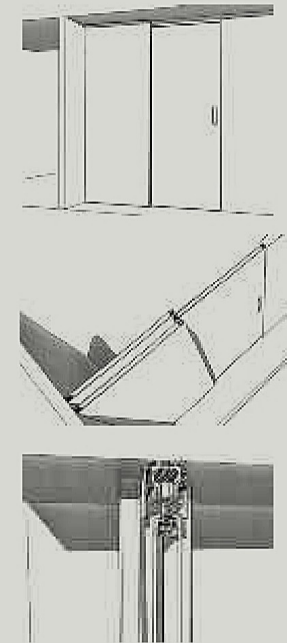

Classic "CLASSIC" aluminum frame  
Single hinged door "SeEven",  
with perimetrical aluminum profile and double glass.  
Mod. LACQUERED

Sistema parete "SeEven".  
Composta da anta mobile a scomparsa tra pannelli  
fissi vetro alluminio con integrato box doccia.

Wall system "SeEven".  
Composed of a sliding door between  
fixed aluminum glass panels with integrated  
shower enclosure.

Sistema pieghevole "SeEven"

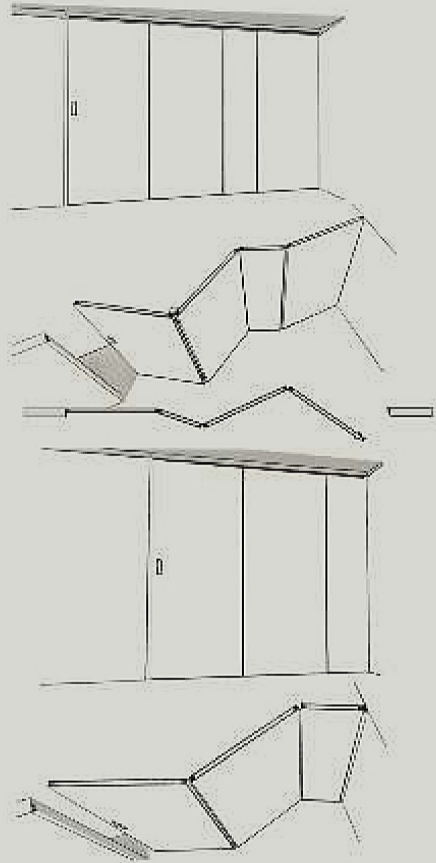

Sistema pieghevole "SeEven".  
Tre ante mobili e una fissa  
con profilo in alluminio e doppio vetro.  
Mod. LACCATO

*Folding system "SeEven".  
Three door mobile panels  
and a fixed one with perimetrical  
aluminum profile and double glass.  
Mod. LACQUERED*

Sistema pieghevole "SeEven"

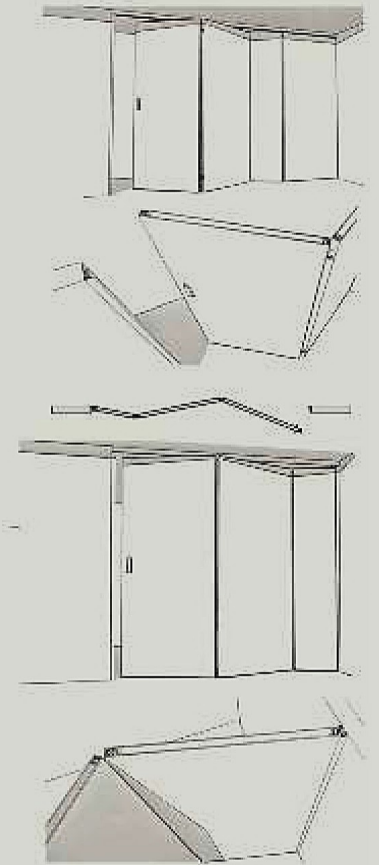

Folding system "SeEven" three door mobile panels

Sistema pieghevole "SeEven" tre ante mobili.

Sistema pieghevole "SeEven" tre ante mobili e una fissa

Folding system "SeEven" three door mobile panels and a fixed one

Sistema parete "SeEven"

138

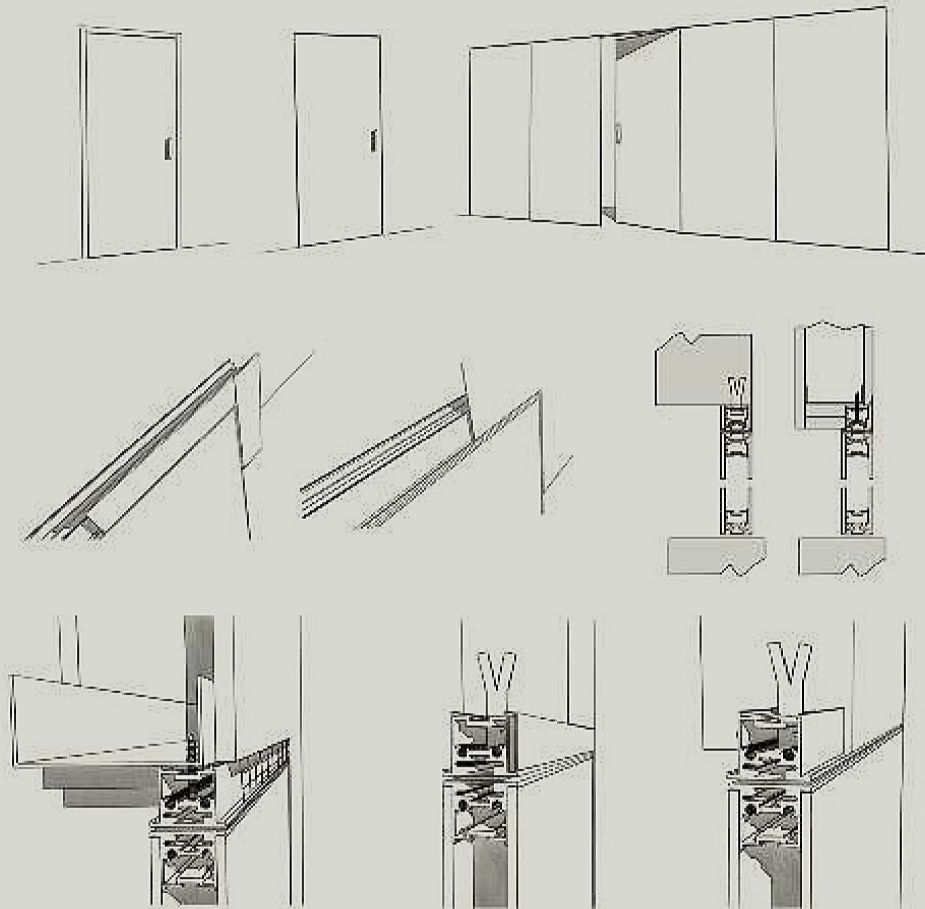

Sistema parete "SeEven".  
Composta da anta apribile  
e pannelli fissi vetro alluminio.

*Wall system "SeEven".  
Composed of an opening door  
and fixed aluminum glass panels.*

Sistema parete "SeEven" 139

Sistema parete "SeEven"

Sistema parete "SeEven".  
Composta da anta apribile e  
pannelli fissi vetro alluminio

*Wall system "SeEven".  
Composed of an opening door  
and fixed aluminum glass panels.*
